### Perversion Must Stop

~~~~~

No doubt I enjoy a frolic
in the hay a much as any
red blooded savage man,
but the recent events
that I have witnessed at
the Yew sheep ranch

and they walk around
whistling dixie pretending
nothing is happening.

I am calling all chivalrous
knight to the battle. If
you are a true defender
of

The bleating of the sheep
have raised the dead in
the grave yard near by.

Further, the sheep
hearder (and we all know
how they roll) do nothing!
Slip them a 10k check

and they walk around
whistling dixie pretending
nothing is happening.

I am calling all chivalrous
knight to the battle. If
you are a true defender
of

in the YEW Mainstrem
Civil Association (YMCA)
and lets take our patures
back!
